

Webinar on Hands-On Exercises in U.S. Census Bureau's American FactFinder

A live training Webinar, "Hands-On Exercises in American FactFinder," will be offered Wednesday, February 27, 2013.

* [Hands-On Exercises in American FactFinder](#)

- * Start Time: 1:00 p.m. EST
- * Duration: 1 hour
- * Summary: Participants will complete various hands-on exercise scenarios in the American FactFinder data access tool. Presenters from the U.S. Census Bureau will provide a detailed explanation of steps for each exercise.

Registration is required. Space is limited to the first 190 registrants on a first-come, first-served basis. Upon registering, an e-mail confirmation of registration will include instructions for joining the Webinar.

Prior to attending this Webinar, participants are encouraged to have completed either the "Access Census Bureau Stats: American FactFinder" Webinar that was held on 2/13/13 or viewed its [archived presentation](#).
